Activity Description

Co-curricular Activity (CCA) was conducted on the inspiring theme '**Best out of waste**' aimed at raising awareness among students about the importance of recycling, upcycling, and sustainable enthusiastic participation from students across all classes.

The main objective of the activity was to instill the values of sustainability, creativity, and responsibility in young minds. The efforts of the students were appreciated. The CCA on 'waste to worth' was a resounding success, leaving a lasting impact on students and motivating them to think critically about the environment and their role in preserving it.
