Exam cues:

1. **Stress free Environment:** As the students are too young to realize the importance of exam, the assessment is only to give them a practice of attempting a set of questions/instructions given. Kindly don't make it stressful for your ward.
2. **Refreshing Time:** Give your children a breather during their study time when they can go out and play in the fresh air for a while or even listen to music. This elevates their mood and encourages them to study more effectively.
3. **Stay Healthy:** Kindly avoid eating junk food outside to avoid any health hazard. Eating fruits in between the meals is recommended.
4. **Post Exam Reward:** Planning some fun with children after exam will certainly offer something to look forward to.

ALL THE BEST!!

Warm Regards

Ms. Monika Chhabra, Principal-MIS
