

MITCON INTERNATIONAL SCHOOL

Art Activities

Art instruction helps children with the development of motor skills, language skills, social skills, decision-making, risk-taking, and inventiveness.

To enhance their creativity and to make them use the resources in best possible manner, the students are made to participate in activities like

Best out of Waste

Money Bank using Bottles

Photo Frame using Ice-Cream Sticks

Eco Friendly Ganesha

Pen Stand

Besides this they are taught to create craft activities like Making Rakhi, Lantern and Flowers using colourful paper.

Competitions like Diya Decoration and Pot Painting are also conducted.
