*** School strictly implements "No homework policy" for classes 1 and 2. However the parents are advised to involve themselves with their wards in activities based on the curriculum during the weekends.**

*** Innovative practices being adopted in the school:**

The school faculty conducts various subject related activities to enrich students with respect to academics. Outside classroom learning activities, digital classroom, project making etc. are also incorporated to enhance experiential learning. Besides this, events like making Microsoft Office Specialist Championship, Eco Friendly Ganesha, Green Lungs, Mad-Ad, Planetarium Show, Mock Press Conference are also a part of plethora of activities which are conducted to enhance creativity and Out of Box Thinking of students. A Science-Maths-Art exhibition is being conducted every session by the students which provides them a platform to think innovatively.
