2. **Refreshing Time:** Give your children a breather during their study time when they can go out and play in the fresh air for a while or even listen to music. This elevates their mood and encourages them to study more effectively.
3. **Stay Healthy:** Kindly avoid eating junk food outside to avoid any health hazard. Eating fruits in between the meals is recommended.
4. **Post Exam Reward:** Planning some fun with children after exam will certainly offer something to look forward to.

**ALL THE BEST!!**

**Warm Regards**
