

CircularNo:MIS International School/ExtCircNo.21/Grades:1 to 12/BharatOnTheMoon /20.08.24

MIS encourage students to utilize the updated and revamped Bharat on the Moon portal for exposing students to STEM ideas related to space, inspirational stories about our scientific heroes, creative thinking, etc.

With an improved User Interface/ User Experience, BharatOnTheMoon Portal has many new features.

1. Account creation requirements have been removed for faster and easier user participation.
2. Personalized login is no longer necessary, making the portal accessible to all new users.
3. Data acquisition for quiz certification is requested only before quiz participation to customize and make age appropriate. Questions of appropriate difficulty level (Preparatory, Middle and Secondary students) will be generated.
4. Activities (Art Connect, Puzzles, Novels, and Special Modules) are now accessible via separate links.
5. Chandrayaan Utsav modules have been updated to support 20 languages. Bodo, Konkani and Santhali translation is in progress.
6. The quiz is available in 10 languages.
7. Access the website now: <https://bharatonthemoon.ncert.gov.in>

Warm Regards
