➤ Founder's Message

At MIS International School, we are driven by a vision to create a learning environment that not only imparts knowledge but also builds character.

Our goal is to offer a well-rounded education that empowers students to explore their full potential, develop a sense of responsibility, and prepare themselves to face global challenges with confidence.

We believe that education is the foundation of a better society. With dedicated educators, state-of-the-art facilities, and a forward-thinking approach, MIS is committed to shaping future-ready individuals who will make meaningful contributions to the world.

Dr. Pradeep Bavadekar

➤ Principal's message

MIS International School promotes holistic and harmonious development of a child in all aspects, be it social, academic or athletic.

Our new age approach to education embodies the true spirit of unlocking your child's potential. Our priority is engraining strong moral values in your child which will guide them towards success in life.

Our school has a Tinkering and Robotics Lab to help your child hone his/her tech savvy skills. Our Athletics Department will encourage your child to inculcate healthy competitive spirit in a truly graceful manner. We at MIS strive to make our children all-rounders with impeccable skills and etiquettes.

Dr. Monika Chhabra

Overview of the academic year

- Innovative Teaching
- Global Perspective
- Collaborative Culture
- Eco-Conscious Learning
- Cognitive Development

- **Holistic approach**

MIS International School is a progressive, co-educational English medium school offering Pre-primary to Secondary education under the CBSE curriculum. Committed to quality education, it fosters innovative learning environments and holistic development at affordable fees.

- **Developing Global Citizens**

In today's fast-changing world, education must equip students with the knowledge, skills, and values to thrive in a global society. MIS integrates this vision into its curriculum, ensuring students are prepared for the future.

- **Our Vision:**

We aim to inspire and empower students through quality education that nurtures curiosity, creativity, and confidence. Our vision is to create a vibrant learning environment where individuality is respected and innovation is encouraged. By guiding children on a path of discovery, we prepare them to become leaders and changemakers who contribute positively to society.

- **Our Mission:**

Our mission is to nurture responsible global citizens with strong values, creativity, and a lifelong love for learning. We provide holistic education through a comprehensive curriculum and a dedicated faculty. By fostering integrity, compassion, and innovation, we prepare every child to excel academically, personally, and socially in a changing world.

- **Core Values:**

- 1. Cooperation**

Working Together

- 2. Honesty**

Being Open & Sincere Morality

- 3. Perseverance**

To Attain a Goal Persistence

- 4. Integrity**

Being Honest in Work Truthfulness

- 5. Kindness**

Being Helpful Considerate

6. Responsibility

Making Your Own Decision

7. Tolerance

Being Fair & Respectful Patience

8. Humility

Learn from One's Weaknesses

Cultural Events Annual Day, Music, Dance, and Drama:

Our School Annual Cultural Celebration was a vibrant reflection of creativity, tradition, and imagination across all grades.

Our little stars of Grades 1 and 2 lit up the stage as Indian superheroes. Through confident and spirited performances, they reminded us that true strength lies in courage, kindness, and values deeply rooted in our culture.

Grade 3 beautifully celebrated the spirit of Indian festivals. Their colorful presentation showcased unity in diversity, the joy of togetherness, and the richness of our traditions.

Grades 4 and 5 presented the powerful theme of Dashavatar. Through expressive storytelling, graceful dance, and impactful dramatic sequences, they depicted the eternal message of righteousness and the triumph of good over evil.

Grades 6 to 9 elevated the atmosphere with thought-provoking presentations on Yoga and the Vedas. Their performances reflected discipline, balance, wisdom, and the timeless knowledge that continues to guide humanity.

The entire event was not merely a display of talent, but a celebration of culture, values, and holistic education. Each performance embodied dedication, emotion, and the true spirit of learning beyond textbooks.

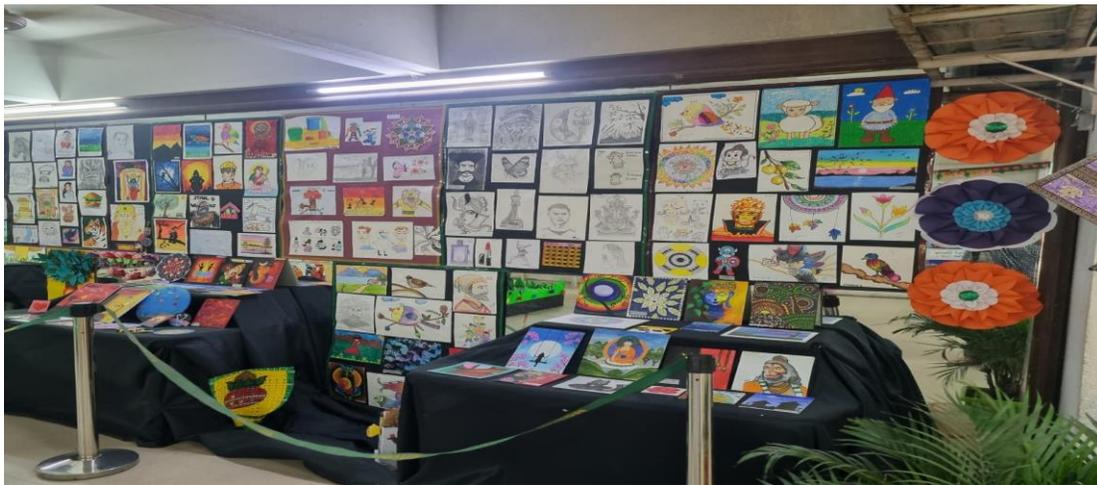

Art Events

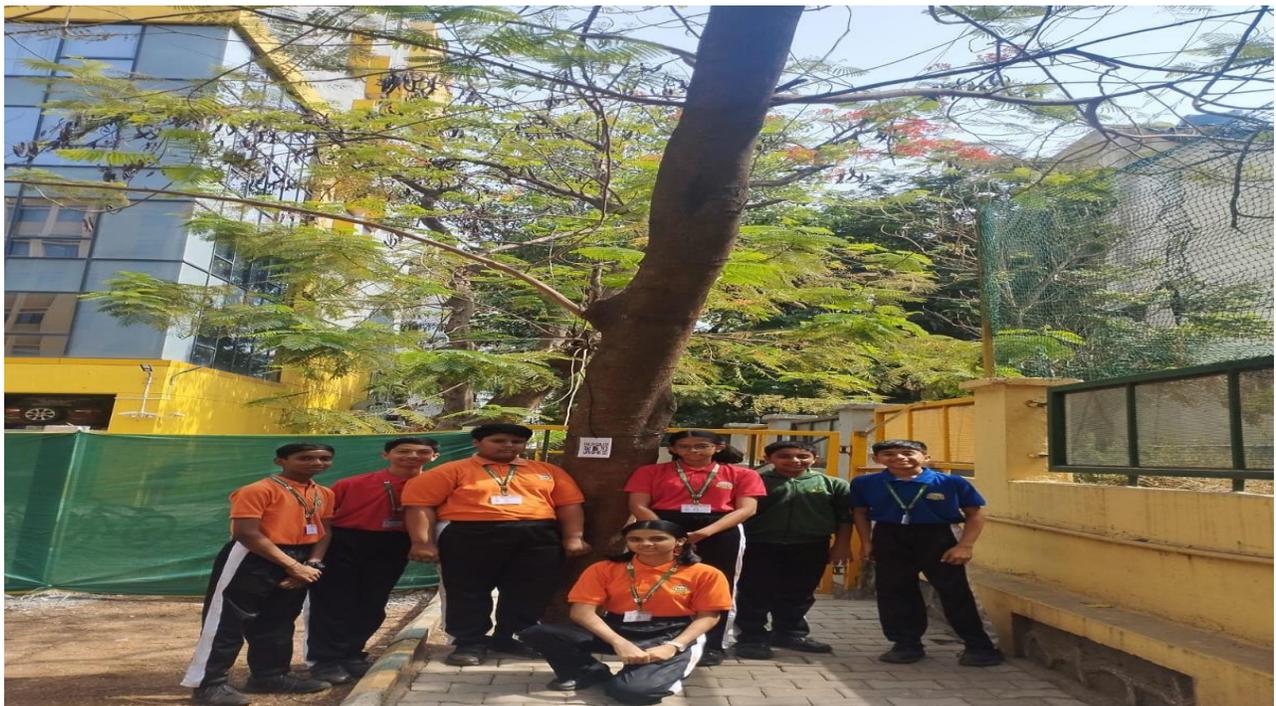

Kalakruti

MIS Balewadi recently hosted the Kalakruti Art Exhibition, showcasing the creativity of our students. The students, along with the art team, decorated the space with a variety of paintings and art pieces. Each artwork reflected imagination, skill, and attention to detail. Parents who visited the exhibition appreciated the creativity and effort put in by the students. The event provided a wonderful platform for students to express themselves artistically. It also encouraged teamwork and collaboration among participants. Overall, the exhibition was a vibrant celebration of art and talent at MIS Balewadi.

Clubs

Eco Club

CLUBS

MIS believes in holistic development of students. With this objective, one of our endeavors is to impart training to our students and sharpen their skills in the field of their choice. To facilitate this, MIS conduct the following club activities for students with the experts once in a week.

Sr.No	Club Activity	Sr.No.	Club Activity	Sr.No	Club Activity
1	THEATRE (DRAMA)	8	ART & CRAFT	15	FOOTBALL

- **Debate Competition:**

The competition began with structured speeches from both sides, followed by a lively rebuttal round where participants raised thoughtful objections and presented counterarguments. The debate turned out to be highly engaging and thought-provoking. The audience encouraged the participants with applause, while the moderators managed the proceedings with confidence and maturity.

All participants were awarded certificates of participation, and the winning team received Certificates of Excellence.

Literacy Events

LITFest: MIS International School recently hosted an engaging Lit Fest celebrating language, creativity and self-expression among young learners. The event provided an inspiring platform where literature became a gateway to imagination, learning and meaningful interaction. Grade 1 students and parents gathered enthusiastically to appreciate different forms of communication.

Activity stations showcased students originality through engaging experiences such as the Puppet theatre, Rhyme time rush, Roll the dice, Wall of words, Paws claws etc. The activity highlighted essential life skills such as listening, body language, emotional understanding, teamwork and social manners.

Students actively participated through role-plays, skits, charts, models, posters, and interactive activities. Each display reflected how communication includes expressing feelings, respecting others views and cooperating in group situations. The activity provided students with a platform to confidently present their ideas and creativity.

The event encouraged experiential learning and helped students develop confidence, empathy, and collaboration. This Communication Skills activity successfully reinforced the value of effective communication in daily life and its role in shaping responsible and confident individuals. The Lit Fest concluded on a joyful note, leaving everyone with wonderful memories and a deeper appreciation for literature and creative expression.

- **Manthan-A Scientific Temperament**

At Manthan, students showcased their scientific temperament through various projects.

The exhibition highlighted innovative ideas and creative experiments by the students.

Parents were invited to visit the school and explore the projects on display. Students explained their work, demonstrating their understanding and skills.

The event encouraged curiosity, critical thinking, and practical learning. Parents appreciated the efforts and enthusiasm of the students. Manthan provided a platform to celebrate science, learning, and creativity.

Initiatives

1. Value Education / Life Skills Programme

In accordance with CBSE guidelines on Value Education and Life Skills, level-wise class assemblies are conducted every Wednesday to promote holistic development among students. Each month focuses on a specific life skill theme, wherein the class teacher facilitates structured interactions through group discussions, role plays, storytelling, narrations, quizzes, and brainstorming sessions. A prescribed and age-appropriate curriculum is followed, supported by relevant textbooks to ensure developmental suitability. These sessions aim to nurture critical thinking, decision-making skills, empathy, communication competence, and responsible citizenship, thereby contributing to the overall socio-emotional growth of learners.

2. Student Welfare and Support – Counselling Services

The school provides comprehensive counselling services to ensure the emotional, behavioral, and psychological well-being of students. Individual and group counselling sessions are conducted by the school counsellor based on referrals from the Principal, parents, teachers, or through professional observation. The counselling framework aligns with CBSE's emphasis on preventive, developmental, and remedial guidance programs within schools. Confidentiality, sensitivity, and student welfare remain central to all interventions, fostering a safe and supportive school environment.

3. Health and Hygiene Education

As part of its commitment to health education and preventive awareness, the school conducts age-appropriate sessions on personal hygiene and well-being. Topics such as hand hygiene, washroom etiquette, and menstrual health and hygiene (for girls from Grade IV onwards) are addressed by the school nurse and counsellor systematically. Awareness posters on handwashing and hygiene practices are prominently displayed in corridors and washroom areas to reinforce learning. These initiatives align with CBSE's focus on life skills education and the promotion of healthy habits for overall student well-being.

4. Special Needs Support

The school promotes inclusive education in line with CBSE norms by identifying and supporting students with diverse learning needs. Appropriate accommodations and individualized strategies are implemented in collaboration with parents, teachers, and, where required, external professionals. Continuous monitoring and documentation of progress ensure that students receive the necessary academic and emotional support. The objective is to provide an equitable learning environment that respects individual differences and enables every learner to achieve their full potential.

Key Milestones

Principal Dr. Monika Chhabra was honored with the **Idols of Maharashtra** award by Sakal. The award recognizes her outstanding contributions to education and leadership. Her dedication towards holistic student development was highly appreciated. This accolade highlights her commitment to excellence in the academic field. Dr. Chhabra continues to inspire students, staff, and the wider community through her vision and guidance.

Monika Chhabra is 'Innovative Leader Of The Year'

Monika Chhabra - the principal of Mitcon International School, was conferred the Innovative Leader of The Year award in the EEC-2022 by Ek Updesh, supported by Ministry of Ayush and FIT INDIA. Education Excellence Conclave or EEC is the one of the biggest conclaves in the field of education organising conclaves in the field of education. Facilitating the platform to connect, Education Excellence Conclave opens doors for exchange of information on international level. Mitcon International School being a co-educational English medium school with CBSE affiliation till class XII, the school promotes holistic and harmonious development of a child in all aspects; be it social, academic or athletic.

Pprincipal Monika Chhabra has worked for more than two decades in the field of education. She has positively impacted student learning. Under the mentorship of the principal, Mitcon International School executed multiple innovative activities in the academic year of 2021-22 like Joy of Giving where students volunteered and dis-

Recognition by EEC on Innovation in Education

tributed adult diapers to help the senior citizens of old age home to live with dignity; National Mathematics Day that was celebrated with fun-filled activities for the students to ignite the spirit of learning in them; hands-on webinars on Growing Superfoods, Tie And Dye Textile Making, and Lace

Of Love, where students learned growing micro greens, tie and dye patterns on cloth, and making footwear respectively.

Diwali was celebrated with much pomp and fervour in the form of Tech-Embedded Diwali with activities including Online Experiential

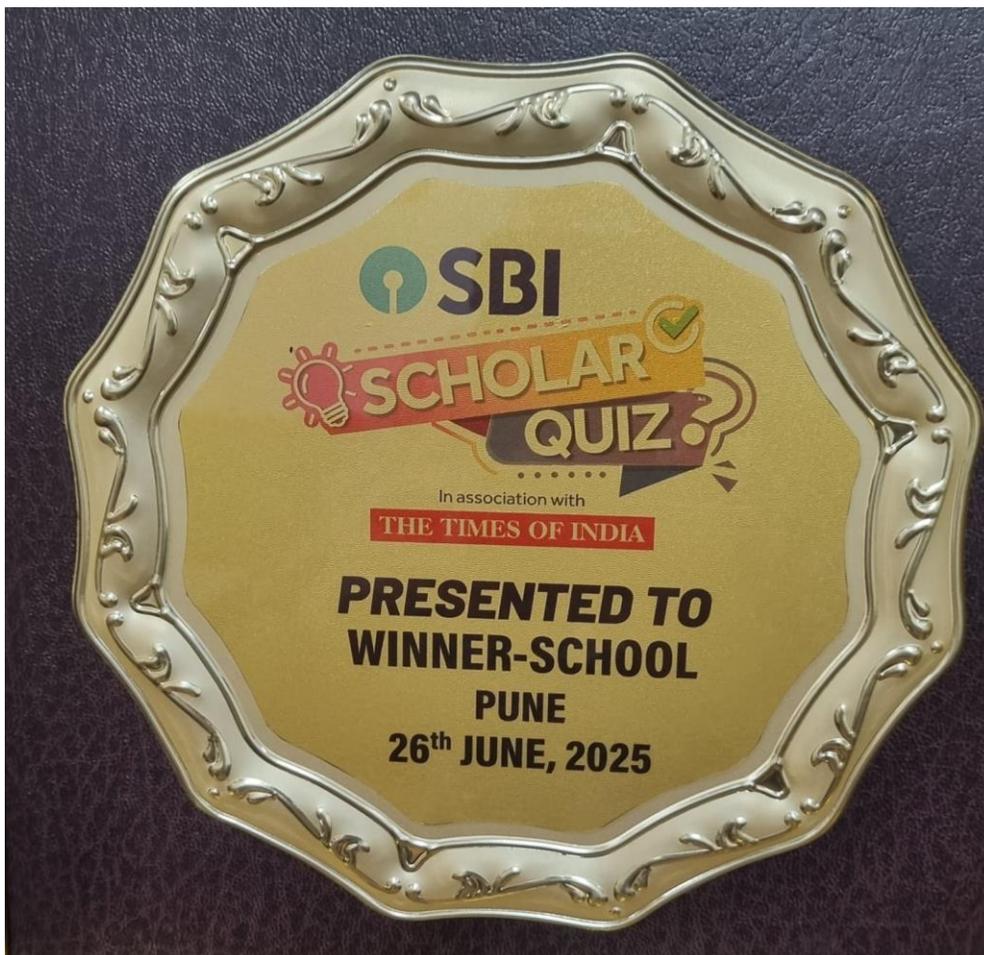

Learning Program. Learning in a joyful way by engaging in activities like Captain Cool with Animal World where the students learned habitats of different animals in an interactive manner and effects of global warming on animals with fun facts and games, celebrating tech-embedded Diwali by Fun With Space Bunnies and Rocketry activity where they had a live virtual tour to International Space Station to understand our Solar System and phases of moon along with hands-on rocket making activity are few of the innovative pedagogical methods.

Participating in Future Farm where students learned about Soilless Cultivation, had a live tour to a hydroponic farm, and engaged in a virtual treasure hunt game were equally exciting learning paths for the students under her guidance. With these scholastic and co-scholastic activities, the students not only had fun while learning but also inculcated important values for life. This aligns with her vision to develop global citizens with knowledge, skills, values and attitude to adapt and thrive.

MIS Balewadi Shines at the SBI Event!

We are proud to announce that Master Hitansh Momaya and Master Aarush Tamhaney of Grade 9 have emerged winners of the SBI Scholar Quiz, held in association with The Times of India, securing the First Position in the Pune Region!

Both students were awarded ₹50,000 each, while their guiding teacher received a reward of ₹25,000. Adding to this celebration, the school was felicitated with a trophy and an award of ₹50,000.

Co-curricular and Extra-curricular Activities at MIS

At MIS, we believe in the holistic development of students, where learning extends beyond the classroom. To foster creativity, teamwork, and leadership skills, our students actively participate in a wide range of co-curricular and extra-curricular activities.

Co-curricular activities include: Theatre (Drama), Music (Keyboard, Classical & Western Vocal, Guitar, and Drums), Dance (Contemporary & Classical), Robotics, Art & Craft, Reading, and more.

Extra-curricular activities include: Sports (Football, Basketball, Kabaddi, Table Tennis, Track Events, and Gymnastics), Zumba, Pencak Silat & Taekwondo, Chess, Carom, and Tabla.

These activities are conducted under the guidance of experts and aim to develop students' skills, confidence, and teamwork, while nurturing their talents in areas of interest. CCA competitions and activities are held on a regular basis

MUSIC ROOM

At MIS, the Music Room provides students with opportunities to explore and learn various forms of music. Training is offered in Western and Hindustani vocals, as well as instrumental music, including Tabla, Drums, Guitar, and Keyboard. The facility is designed to nurture students' musical talents and encourage creative expression in a supportive environment.

ART ROOM

At MIS, the Art Room serves as a creative space where students can explore their artistic talents. The Art Club is conducted here, providing guided sessions to help students develop their skills. Students learn about colors, textures, and different art techniques. They are encouraged to express their imagination freely through painting, drawing, and craft activities. The environment fosters creativity, innovation, and attention to detail. Regular projects and activities help students showcase their work. Overall, the Art Room is a place where learning meets artistic expression, making creativity a joyful experience for every student.

Academic Competitions

MIS students actively participated in various academic competitions this year, showcasing their skills and talent. One of the major events was the Dr. Homi Bhabha Balvaidnyanik Competition, a three-stage science talent search that allowed students to explore and demonstrate their scientific knowledge. Another important event was the Rashtriya Hindi Rajbhasha Exam, which assessed students' proficiency in Hindi. The students performed commendably in both competitions, achieving good marks and recognition for their efforts. Participation in these events not only strengthened their academic skills but also boosted their confidence and encouraged a spirit of healthy competition. Such activities play an important role in the holistic development of students, fostering curiosity, learning, and personal growth. Overall, these academic competitions contributed positively to the achievements and growth of MIS students.

SOF OLYMPIAD EXAMS

MIS students prepared for the SOF Olympiad Exams in English, Mathematics, and Science.

These exams help students enhance their problem-solving and analytical skills. Regular practice and guidance were provided to strengthen their understanding of concepts.

Participation in the Olympiads boosts confidence and encourages academic excellence.

SPORTS

At MIS, a wide range of sports activities are an important part of school life, encouraging physical fitness and team spirit among students. Students play inter-house and inter-school competitions in games like basketball, football, cricket, kabaddi and more, which help them develop coordination, endurance and sportsmanship. Regular participation in these sports fosters qualities such as teamwork, discipline and leadership, contributing to their overall personality development. The school provides good facilities and coaching support so that students can train and compete confidently. MIS students have enthusiastically taken part in competitions at different levels, gaining valuable experience and exposure outside the classroom. These sporting events also promote healthy competition and a sense of pride in representing the school. Through involvement in both indoor and outdoor games, students learn to balance academics with physical activity. Overall, sports at MIS play a key role in building confidence, resilience and lifelong fitness habits among students.

- Abhimanyu Pandey from Grade 10B won a silver medal and has qualified to represent India at the Asian Youth Games in Bahrain IN. Advika Pache from Grade 8A won a silver medal, Vivan Komavar from Grade 7B won a bronze medal, and Devarsh Sai Koutarapu from Grade 4D won a bronze medal at the 13th National Level Pencak Silat Championship 2025.

- Shriya Pawar from Grade 6 has won a Gold Medal in District Level Fencing Sports Competition 2025–2026,organised by: Pune Association

- Samiksha Siddharth Kamble from Grade 11 has won a gold Medal in District Level School

- Advaita Deshmukh from Grade 4 has won a silver medal in the 80m at FLAME University's Athletics Competition Pune 2025

Organized by: FLAME University's Athletics Competition Pune

- Aarul Thalor Grade 4 glides to glory at the Pune District & Maharashtra State Roller Skating Championships 2025, bagging 1 Gold, 2 Silver, and 2 Bronze medals.
- Organised by: Maharashtra Fencing Association

Safety & Security Measures at MIS International School

At MIS International School, the safety and well-being of our students is our highest priority.

The campus is equipped with CCTV surveillance to ensure continuous monitoring.

Trained security personnel are stationed at all entry and exit points. Strict visitor verification and gate pass systems are followed. Regular safety drills are conducted to prepare students and staff for emergencies.

Transport safety protocols are implemented with verified drivers and attendants.

We are committed to providing a secure, disciplined and nurturing environment for every student.

New Programs & Initiatives at MIS International School:

At MIS, we are constantly evolving to equip our students with 21st-century skills.

We have introduced Financial Literacy classes to empower students with knowledge for personal growth and smart decision-making.

Our English Communication classes help students gain confidence and fluency in speaking and writing.

Robotics programs encourage innovation, creativity, and problem-solving through hands-on learning.

Zoomer Sports classes are regularly conducted at MIS International School to enhance students' motor skills. These sessions help improve coordination, balance, agility, and overall physical development. In our continuous efforts to expand opportunities, the school is exploring the possibility of hosting an NCC camp, if feasible.

These initiatives reflect our commitment to holistic development and preparing students for a dynamic future.

At MIS International School, Balewadi, we extend our heartfelt gratitude to our students and parents for their trust and active participation in our journey of learning and growth. We sincerely thank our dedicated teachers and staff whose unwavering commitment shapes the future of our students every day.

Our management team's guidance and vision continue to inspire excellence across all areas of school life. We are also grateful to our wider community for their support and collaboration in nurturing a thriving educational environment.

Together, each one of you plays a vital role in creating a culture of learning, creativity and holistic development. Your encouragement and involvement fuel our passion for providing quality education.

Thank you for being an integral part of the MIS family—your contributions make our school a place of inspiration and achievement.

**“Nurturing minds with knowledge and
values,
Shaping tomorrow’s leaders today”**
